News From Your TOWN HALL

Steps have been made toward finding out how much it will cost us to install a modern sewage disposal plant and system for the city. This is a forward step, and we need that improvement.

Arguments are going on among the country about the condition of our streets. Some repairs are being made, and at one time a plan was projected to remodel all the streets in the city. The property owners asked for it to the extent of being willing to share the costs. That's very necessary and something must be done about it.

A lot of talk about drainage for the City has been carried on and little done about it. When you talk of hills or low land in Belle Glade, we agree that there are hills and valleys in Belle Glade—the difference between a hill and valley being eight inches or less. The trouble is, according to engineers, not low and high land, but drainage, or the lack of it. Something must be done about that.

The streets should be numbered, and something is being done about that. We can get away with adding such "Just a whoop and a holler over yonder." This costs money.

Garage collection costs the City money over and above what they are collecting from you.

Homesteads are responsible for a half million of exemptions in the City's books.

If you think we need improvements and who doubts it, then start writing to the mayor's coming from Santa Claus isn't going to give it to us; we must tax ourselves some way. Property owners and tax payers must give some consideration to ways and means of raising the necessary money if you want the Commission to give you results.

By Black Spider

W. P. W. in the city of Belle Glade, was bitten by a black widow spider Monday afternoon and for several hours was in a precarious condition as a result of the deadly poison deposited in his anatomy by the animal or bug. An anti-toxin venom remedy was used to counteract the poison and thus saved the general clerk's life.

ties must be taken up and planned to take up the slack in the bean markets.

He also looks upon the present plans for flood control in the Glades as most important, and if carried out, will be of

Continued on page 7

Twenty-nine houses, two duplexes located in Pahokee, and Belle Glade, were sold recently by Mrs. Neil Scullen, from the builder and owner, Mr. and Mrs. H. L. Clarke of Miami.

The value of the entire deal is approximately \$152,000, with the Scullen old homesite on the southeast corner of Main Street and Avenue E being received by Mr. Clarke as part payment, along with cash and other considerations.

These homes, containing 36 living units were built approximately a year ago with FHA financing and are now being received by Mr. Clarke as part payment, along with cash and other considerations.

Mrs. Scullen is placing the fifteen houses in Pahokee on an option agreement for final delivery in July. No announcement is made concerning the Belle Glade homes, but it is anticipated that she will retain them as rental properties.

The occupants of the homes will be given refusal on the purchase before others are given an opportunity to buy the properties.

Mrs. Scullen has also purchased a site near the school on which she plans to build an apartment building for the convenience of school teachers. Plans are complete, but the scarcity of material is delaying the beginning of the building.

Will Honor Worthy Matron

Mrs. Mabel Ramey, most worthy matron of the Order of Eastern Star, of Miami, is to be a guest of honor of the Pahokee Chapter on the afternoon of January 24th, and that chapter is arranging to give her many honors. A banquet will be served prior to the chapter session, and then an arranged plan will be carried out for a delightful evening's program. A number of the stars from the Belle Glade chapter will participate, attend, or after all, the two chapters are mother and daughter.

Revive 4-H Clubs

Ever looked at the good and advancement in the country boys and girls in Belle Glade, County Agent, M. U. Mounts, and the home demonstration agent, are taking steps to reorganize the once popular 4-H clubs for both boys and girls, which have been inoperative for a number of years. At ready new clubs have been formed at Lantana, Boca Raton and Canal Point. At one time South Bay had flourishing clubs of this nation wide agricultural organization, whose members won many county, district and state awards.

Farm Activities And Prices Take Slump Past Week

"Red" Mounts, the ever industrious and efficient farm agent, made the annual report of his operations for 1945 the past week, and it has many interesting features. The agent states that the demand for string beans from the Glades is on the decline, and in a few years from now, new communi-

Building Project Looms Big In Our Growing City

Every Bass Building Scarborough Adds New Block

Every week Belle Glade sees the start of some new building project or the announcement of some similar promotion, and the old village is bursting its swallow's clothes. It will grow up and become larger.

This week saw work starting

on the new Elberry block on

Main street, with Avery Bass

supervising the pile driving and

later building construction.

The lower floor will be

an office, store and residence.

This is a stately building

and will provide new space

for stores and living quarters.

Avery Bass has also started

construction on a new store and

apartment building located on

Avenue A just west of his present

business block on Main street.

This is a stately building

and will provide new space

for stores and living quarters.

George Scarborough will utilize

the last 25 feet of his Avenue

A frontage for his second

business block on Main street.

This is a stately building

and will provide new space

for stores and living quarters.

The former Manning Music

Store room has been leased by

W. F. Fitzgerald and Miss Mil-

leard Hendry, who are fitting it

up for the future location of the

Gladys' Garage and Diner,

which will be open for business around February first.

Tenants in the present Kahn

block on Avenue A have been

served with removal notices, as

it is understood that the Kahn

interests plan for a least a re-

building of the block, if not

razing for a complete new

block similar to the adjoining

Scarborough block.

It is understood that the Kahn

block will be razed.

He also looks upon the pres-

ent plans for flood control in

the Glades as most important,

and if carried out, will be of

Time For a Show-Down

In a recent letter to Representative Gore, Democrat, of Tennessee, Bernard M. Baruch gave the people of the United States sound advice and warned labor and management to settle their differences or face government intervention. He recommended an inventory of the resources of our nation so we might have "an over-all picture of the balance sheet of the country."

He also urged an examination of our productive capacity "to see that enough of what is produced remains in the United States to avoid disastrous inflation, and then how much to allocate for the rehabilitation of Europe, China, the Philippines."

"Unless this dividing is done wisely, we will sink and the whole world will go down with us. We should direct our aid to foreign countries by giving priority to those who need the most and who will use it to help set themselves on their feet."

"If we promise loans to foreigners, the money will be useless if they cannot buy the goods from our production here."

"Such demands will further inflation temporarily because they aggravate demands here. There is no use giving foreigners credit (or our citizens greater buying power through increased wages and decreased taxes) unless we are willing to establish priorities which will ration our production where we want it to go until production increases."

"We must be careful when we give aid to other countries, that this aid is not used to nationalize their industries against us, to destroy our own competitive system which, I think, should be preserved. England, Czechoslovakia, France and other countries are nationalizing or about to nationalize their industries. Russia has totalized herself—one buyer and one seller—and is totalizing all countries coming under her aegis."

Mr. Baruch might well have gone farther and said that our federal policy of making loans and grants in our own country to "nationalize" great segments of American industry, through government ownership and competition, is as destructive of American enterprise as are loans to foreign nations that promote similar socialization of productive activity.

Mr. Baruch stressed the nescapable fact that the race between rising wages and prices is a creature of "our own procrastination and negligence." Everything should have been included in the original price control bill—all the elements of cost, wages, rents, "Failure to do so has started the race . . ."

"Tax reduction should have been more considered, outlined and then put into effect, and only after the inventory into our national wealth and liabilities was known . . . Even now it would not take long . . . Then we would have the facts—not fictions stirred by all the contending pressure groups trying to help themselves in prices, wages and taxes for their own interests and ignoring the general good."

Are we too timid or too selfish as a people to listen to such elemental reasoning?

Bossy Rides the Express

As the full story of the American war effort comes to light, some startling incidents will be recorded. For example, it was found necessary to make heavy express shipments of dairy cows. During 1944 there were 397 carloads of cows transported by express and in the first nine months of 1945, 345 carloads.

Apparently this was all in the day's work for the express company which handles livestock, even in peacetime. But it would have astounded the originator of the Railway Express Agency, who carried the parcels of his clients in a carpet bag. He would have been even more astounded could he have seen some other wartime merchandise that passed through the expediting channels of express during the war years—ammunition, guns, tank parts, truck parts, serums, and a thousand other things of war that became routine matters. Special trainloads of airplanes were handled with the same dispatch that was formerly accorded the contents of the carpet bag, and so were shipments of millions of pints of blood for the Red Cross in refrigerated containers.

The wartime record of express is one of countless industrial epics. Most of them the public will never hear about. The sum total of these epics brought victory to the United States, and proved the soundness of private enterprise.

Universal Stabilizing Influence Needed

Civilization, like liberty, must be worked for. White crosses the world over mark the graves of those who fought to preserve what men have striven and died for through the centuries. We cannot honor too highly the sacrifices of our young men to bring peace to the world and good will among nations.

Of all the guides to a better civilization, the oldest is the bible. For ages it has stimulated, comforted and inspired those who have turned to it. It is common knowledge that men who have long neglected church and the teachings of the bible, found solace in it under the most trying conditions of war. Re-

sort to the bible must become more general. More and more as people come to read the bible as a habit, the tendency toward injustice, strife and violence will decline. The Laymens National Committee, founder of National Bible Week which will be observed this year October 15 to 21, invites the support of all people in this movement which is non-sectarian in nature but all-inclusive in character and meaning.

With a sound peace yet to be built, we should all seek a universal stabilizing influence for guidance. This year should be outstanding for National Bible Week.

CINEMATIC CHATTER

By Malcolm Miller

According to the story snipped from the press books of Hollywood, the cast and the director, I would say the Sunday-Monday screening at the Everglades theater will be loaded with action, mystery and just a dash of romance.

The new stars Humphrey Bogart and Alescia Smith, with Sidney Green as the principal featured player, and it comes to us under the title "Confite."

The story moves with vigor and interest is built up by the clever arrangement of scenes. The whole thing builds to a climax that is an achievement of clever directorial art. You'll like it, I'm sure.

Tuesday-Wednesday brings Kirby Grant and Lois Carter, assisted by a very clever cat, in "Penthouse Rhythm," which is billed to us as a "comedy with music." It's a romantic comedy with music that has to move fast or double its legs under it. This, according to what I see in press books, will not happen, but the entire piece will move with precision, warmth and hilarity.

Wednesday night will this somebody comes a laboratory test of a chemist who perferts a chemical to restore life. He kidnaps a girl and uses her blood to restore life to dead apes-women. The ape-woman kills the chemist and the police rescue the girl. The cast has Otto Kruger,

the modern farmer makes sure his home, barns, silos, equipment and crops are fully covered by insurance.

To those who are waiting for telephones

From now on our story is more cheerful for many who are waiting for a telephone.

With the receipt of larger amounts of telephone equipment, we will be in position to install telephones for those who have been waiting longest.

But there are places where we have complicated switchboards to install—even places where we must build new buildings for the new switchboards. In those places it will necessarily take more time.

We're working hard to serve those and strive to give everybody quicker and better service than ever before.

SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY
INCORPORATED

one of Universal's "Horror" specials. This one is "Frozen Ghost," and it stars Lon Chaney and Evelyn Ankers. Of course we know from the title and the stars that this is one of those stories that are not to be taken seriously. It's about the affairs which seem to furnish amusement to some and boredom to others.

Saturday comes Rod Cameron and Fuzzy Knight in their western story of bad men, hoss thieves, etc., under the title of "Trigger Trail." I would say from reading this title that there is going to be some shooting in them that hills.

See you at the movies.—Mal

Social Happenings

J. C. and Wallace Williams have been home after visiting friends and relatives in Panama City.

Mr. and Mrs. W. T. Elder had as their guests over the week end, Mr. and Mrs. Don Kempf of Chicago, Ill., and Mr. and Mrs. Guignard Maxey of Sebring.

Mr. and Mrs. W. B. Granger have as their guests, their nephew, Capt. and Mrs. John W. Horn and son of Overton, Tex.

Mr. and Mrs. J. C. Williams have been notified by their

daughter, Mrs. R. B. Fisher, of the death of her husband's father, W. T. Fisher, at Arlington, Va.

Mr. and Mrs. T. R. Garrison and son Billy, of Spartburg, S. C., have been house guests of Mr. and Mrs. J. H. Chamberlain, and returned home this week.

Miss Ned Scott Brown is convalescing at the Migratory Hospital hospital following an emergency appendectomy Sunday morning.

Mr. and Mrs. J. H. Norfleet returned home Tuesday after visiting relatives in Orlando.

Mr. and Mrs. C. J. Aspey and their guests, Mr. and Mrs. T. J. Gillen and Mr. and Mrs. George Gillen and Miss Carrie Henry spent last week end in the Florida Keys on a fishing trip.

Miss Alice Cross of Fredericksburg, Va., is the house guest of Mr. and Mrs. H. R. Hitchcock.

Mrs. Buford Prescott and baby daughter returned home Sunday from the Everglades Memorial Hospital.

Mrs. Ralph Freeman, Mrs. Lee Hayman and Mrs. Herbert D. Beck attended the luncheon meeting of the County Federation of Women's Clubs in Delray Beach Wednesday. Congressman Dwight L. Rogers was the guest speaker for the occasion.

LEGION AND AUXILIARY TO HOLD JOINT MEETING

At the regular monthly meeting of the American Legion Auxiliary Tuesday evening at the home of Mrs. Herbert D. Beck, plans were made to hold a joint meeting with the Legion February 5th, at the Woman's Club building for the purpose of discussing and making plans for the building of a new Legion home.

The business session was presided over by the president, Mrs. R. L. Ringo and it was announced that the departmental president will come and visit this unit at an early date. Plans were made to sponsor a show, the Grand Ole Opry, next month which will be held at the High School auditorium, with the Legion assisting.

Members who were not present at this meeting and requested to go to town with Mrs. Mrs. Bryant McLendon and Mrs. George Tedder regarding this joint meeting, as the Auxiliary will serve refreshments and all members are expected to cooperate.

Delicious refreshments were served by Mrs. Beck at the end of the meeting, with Mrs. Harry Peters assisting as co-hostess.

Others present were Mrs. Thomas Weathers, Mrs. J. B. Jones, Jr., Mrs. Clyde Clayton, Mrs. J. T. Harris, Mrs. Catharine Davidson, Mrs. W. C. Allen, Mrs. Geneva Cross, Mrs. Lund, Mrs. E. G. George Taylor, Mrs. Ringo, Mrs. Tedder and Mrs. McLendon.

Members who wish to have fluoroscopes taken for tuberculosis are to meet in the City Park at 3 o'clock on January twenty-first.

MRS. JAMESON WINNER OF GARDEN CONTEST

The Garden Club met Thursday afternoon at the Community Club House with the president, Mrs. Mabel Harrison presiding. Roll call was answered by giving the names of three flowers seen in the members' back yards, Mrs. H. O. Peters was appointed to take charge of the club scrap book. Members were asked to root cuttings of crotos and hibiscus to be placed at the entrance to their city. Mrs. Herbert Beck reviewed several magazine articles on the successful rooting of plant and shrub cuttings. It was announced that Dr. W. J. White had donated a book on flower arrangement to the club library.

Mrs. Jameson receiving first prize, Mrs. H. J. Harris second and Mrs. Peters third. Others present were Mrs. Iva Horn, Mrs. Lonnie Warren and Mrs. W. R. Hooker.

FONTAINE AND DOOLEY HONORED AT SHOWERS

Misses Charlie Fontaine and Mrs. Frank Dooley were guests of honor last week at a shower given by Mrs. Harrison Raoul

at the Country Club of the Everglades.

The club house was beautifully decorated with arrangements of lilies and white chrysanthemums and gerberas against a background of ivy and fern. Table decorations were carried out in contrasting floral pattern.

Bridge and gin rummy was the form of entertainment chosen by the hostess, with scores being awarded to Mrs. A. A. McWhorter, Mrs. S. K. Smith, Mrs. George Bender, Mrs. Sam Flentrop, Mrs. H. E. Elsherry, Mrs. Harold Rabin and Mrs. Frank Dooley.

Following the games, a dessert course was served and gifts were presented to the honorees.

The guest honor was Mrs. Hubert Pillary, Mrs. E. M. Van Landingham, Mrs. H. C. Van Landingham, Mrs. J. Woolley, Mrs. Roy A. Bair, Mrs. Imogene Fontaine, Mrs. Sam Fleming, Mrs. Lorenzo Connell, Mrs. Doris McWhorter, Mrs. O. C. Dorn, Mrs. Mrs. C. E. Bailey, Mrs. J. A. Bell, Mrs. E. A. McCabe, Mrs. L. W. Jones, Mrs. C. Creech, Jr., Mrs. W. W. Weeks, Mrs. Bennie Weeks, Mrs. Clyde Doolittle, Mrs. George Bender, Mrs. Hayden Williams, Mrs. George Williams, Mrs. H. O. Edwards, Mrs. M. E. Johnson, Mrs. A. E. Kirchner, Mrs. Lee Hayman, Mrs. Howard Haney, Mrs. Lee Berryhill, Mrs. Thomas Bregger, Mrs. C. E. Maynard, Mrs. H. R. Hitchcock, Mrs. Jerry McKee, Mrs. William Shrieber, Mrs. Charles McWhorter, Mrs. William J. Dorn, Mrs. Mrs. C. E. Bailey, Mrs. Jack Thomas, Mrs. Robert Cameron, Mrs. J. A. Dardeau, Mrs. Nel Seulen, Mrs. H. E. Elsherry, Mrs. S. K. Smith, Mrs. Hub Spooner, Mrs. Vernie Bouts, Mrs. Thomas Forsee, and Miss Alice Cross.

BETHANY CLASS MEETS AT SAINTS HOME

The Bethany Sunday School class of the Community Methodist church held its monthly meeting in the home of Mrs. M. M. Sabiston recently. Mrs. R. S. Burr, president, presided over the business session at which time it was planned to start a circulation of the Bethany news. After the business was transacted a social hour was enjoyed. Those attending were Mrs. H. J. Bratley, Mrs. H. L. Haney, Mrs. A. L. Wallis, Mrs. F. D. Stevens, Mrs. William Guignard, Mrs. J. O. Jameson, Mrs. Lee Hayman, Mrs. Ogle Moore, Mrs. S. B. Baker, Mrs. Linda, Mrs. B. W. Kidder, Mrs. W. R. Hooper, and Miss Sara Diggs. Mrs. K. Dilworth served as co-hostess.

B.P.W. CLUB HEARS TALK ON CITY MANAGEMENT "The Question of City Management" was the subject of an interesting talk given by Mrs. Jeanne Jones at the meeting of the Business and Professional Women's Club Tuesday evening at the Community Club House. Following the talk, questions were asked and a general discussion on this topic held. Mrs. Elizabeth Howell, county welfare nurse, also gave a brief talk informing the group about the arrival of the tuberculosis mobile unit which will be here January 21 and 22 and asked for volunteer workers.

During the business session a resignation was accepted from Miss Adelaide Perry, who held the office of president, and Mrs. Imogene Fontaine, first vice-president, will fill this vacancy. Mrs. Gene Rushing and Mrs. Florence Smith were appointed as a committee to work this out.

Others present were Mrs. Ida Hardy, Mrs. Abby Zumpf, Mrs. Sara Creek, Mrs. Ruth Peeples, Miss Sue Stanton, Mrs. Ruth Langworthy, Miss Daisy Tedder, and two guests, Miss Edna Wanamaker and Mrs. Virginia Glenn.

GIRL SCOUT LEADER TO VISIT HERE

Miss Mary Creech of Atlanta, Ga., will be here for four days next week to conduct a girls' camp meeting. Girls will meet with the leaders and anyone else interested in this work. Refreshments will be served and all parents of Scouts are especially urged to attend. At 3:30 p. m. on Monday and Tuesday there will be a meeting of the troops; and from 10 to 11:30 on Tuesday a committee meeting will be held. Wednesday a central committee meeting will meet, and Thursday from 10 to

11:30 a. m. the new leaders will meet at the home of Mrs. Ralph Freeman, and at 3:30 p. m. a final meeting will be held with the troops.

YOUTH FOLLOWUP TO CONDUCT PROGRAM

The Community Church is beginning a program on Sunday evening which is designed primarily for the youth of the community. The object of the program is to help the youth to grow in spiritual grace and to at the same time lead them to citizenship and fellowship. They will learn something about how a church is conducted by taking part in the program from time to time and in holding the various offices of the church. The service will begin at 7 p. m. with the Youth Fellow-

ship in which an interesting and instructive program is presented. This is followed immediately by a Youth Church beginning at 7:45 p. m. The young people will be in charge of the program with the pastor of the church who will be present.

Belle Glade Wins Again
The Belle Glade Independents again defeated the Pahokee Raiders at the latter's basket ball court Friday night by a score of 43 to 39. Manager Pugh is urging other players to line up with his bunch of ball artists, and also desire to schedule games with outside city teams. He is also arranging for the formation of a woman's team for Belle Glade and would like the names of all the ladies who would like to join up.

SOUTHERN BELL TELEPHONE & TELEGRAPH COMPANY

HOUSING

That is a problem that you can't brush aside. IT IS NATIONWIDE. The Borchardt Company purchased a tract of land in 3rd Holloway and engaged an architect to lay out the plot providing for 19 homes, a laundry room and yard and playground for children with rock driveways and landscaped with palms and shrubs. The project is an asset to any community and similar projects are being constructed in many cities of the United States.

The homes are prefabricated and are sturdy enough to have served the United States Government in the extreme heat of the South Pacific to the frozen climate of Alaska.

The City Commission issued a permit to us to erect these houses but at a recent commission meeting a protest was made to the project as being a shack town. The protest is groundless and a smoke screen because not a single person whose name is on the petition appeared to really find out what it's all about.

It is not the purpose of the Borchardt Company to spend money for a development that would become a discredit to this community, nor attempt a development that does not have the support of the community. Therefore, to the families waiting for these homes, have patience, a building permit has been issued by the commission and the project conforms to the zoning ordinance for the area, but there will be a delay. The houses are available for quick shipment.

Indian Mound Park

IS BELLE GLADE'S MOST HIGHLY RESTRICTED HOMESITE

Those who have long waited for an opportunity to own a HOMESITE ON THE INDIAN MOUND, will be glad to learn that we have purchased this property and are subdividing it into TWENTY-SEVEN HOMESITES

each of 95 feet frontage

Grading has begun, and engineers are laying out the plots, ready for rock to be placed on the streets, which will be done as fast as practicable; shrubbery will be planted.

City Water has been arranged for, and will be installed.

YOU ARE BUYING THESE IMPROVEMENTS WITH YOUR PROPERTY.

INDIAN MOUND PARK

HIGHEST IN ELEVATION

The Indian Mound was selected by the Indians as a burying ground because it was the highest — it hasn't shrunk any more than surrounding lands.

HIGHEST IN QUALITY AND RESTRICTIONS

Restrictions are modeled after those of some of the best East Coast subdivisions and are complete and enforceable to maintain the high class home building intended.

MOST MODEST IN COST

The prices of \$1400, \$1500 and \$1600 are comparable to whatever you will find in less desirable locations.

Two-And-Half-Acre Plots

ON ROCK ROAD — CITY WATER — ELECTRICITY

TELEPHONE, when plentiful

TWO MILES FROM POSTOFFICE as crow flies—a bit more if you ride

\$1250—Cash or Terms

MAKE YOUR CAR SHIPSHAPE FOR SUMMER - SINCLAIR-ize

Making your car Shipshape for Summer will save wear. Sinclair-ize service will make your car Shipshape as its manufacturer recommends. You need this service now, as never before. No new cars are being made. So better not take any chances. Have your car Sinclair-ized right away.

SINCLAIR-ize SERVICE INCLUDES THIS:

To save wear on gears, transmission and differential are filled with summer Sinclair lubricants. Special Hypoid lubricant is used for Hypoid gears.

To save engine wear, crankcase is filled with Opaline Motor Oil. It stands up, lasts so long it saves you money. Sinclair Pennsylvania Motor Oil if you prefer at 5¢ more per quart.

To save tires, tires are inspected for cuts and bruises, inflated to proper pressure.

To help prevent accidents, front wheels are removed and relubricated if your car manufacturer recommends.

To help prevent overheating, radiator is cleaned of anti-freeze, rust and sludge.

To save wear and help prevent squeaks, chassis is lubricated with special Sinclair lubricant.

To give better performance, save gasoline, spark plugs are cleaned and adjusted. Battery and oil and air filters are checked.

"SAVE WEAR WITH SINCLAIR"

Bean Harvesting Again In Force, On The Islands

R. Y. Creech will start picking this week on 310 acres of sugar beans now growing on Rita Island. The crop is planted in 10 acre blocks to come off successively. The entire project is under the supervision of Frank Haines, farm manager, and labor is brought to the island by boat and produce will also be transported by water to Lake Harbor. A landing dock 40 x 60 is now under construction above the logs at Lake Harbor.

Varieties of beans now maturing are Florida Belle, a new variety especially adapted to the Everglades by the Experiment Station, Tendergreen and Black Valentines. Wind brakes are coming.

Three large tug boats and sufficient barges to handle all labor and produce are a part of the farm equipment for the project. Mr. Haines reports the moisture conditions on the island ideal for growing vegetable crops as complete water control is maintained at all times.

A full diesel 18 inch pump takes care of the seepage from the lake at the south end of the island and runs continuously over the Bayonton lagoon.

Adopt Plumbing Code

At the South Bay Town Council meeting last week Floyd Wilder was appointed Judge Ad Litem by resolution of the council.

A plumbing ordinance regulating the installation of plumbing within the town limits was adopted.

Brothers Meet In Far-Away Okinawa

Mr. and Mrs. J. H. Hodges of South Bay have received word that their two sons, Coxwain Harvey R. Hodges, and Pvt. Eldridge M. Hodges, both stationed in Okinawa, the one in command of the gun boat, and the other in the naval base, were the score markers for the visitors.

The first two quarters of the contest were very close but gradually the Rams got the measure of the counter attack and piled up a good lead over the Bayonton boys could not overtake.

Our girls were also winners over the Bayonton lasses.

A. N. Kennedy Returns to Glades

Arthur N. Kennedy, who is a well known farmer in the Glades section in the winter season, and in New York state during the summer, is back in Pahokee and Belle Glade.

Kennedy has large farm lands near Rochester, N. Y., and when he left there that country was in the throes of storms, ice and snow.

Palm Beach Made Fabulous Record In Bond Purchases

Rich Palm Beach county proved very condonably to the government and the world, that it was not stingy or niggardly when it came to buying bonds for the furtherance of the war projects, and its citizens can feel very proud over the outstanding record that is now reported.

Edgar Carr of the county bond committee has just completed his report on the Victory Loan as well as total figures for the other seven drives.

After a long struggle the drive to sell E bonds in the Victory loan went over the top by about \$1,000. The total sales in all types of bonds for \$20,716,450, as against a quota of \$7,341,000, of which \$1,453,175 were E bonds. The total sales in the county for the eight bond sales was \$151,272,358, against a quota of \$3,458,882.

Citizen Drops Dead In Chosen Store

George M. Keeter, who had his home over in the Oseola area last Thursday afternoon walked over to the West store at Chosen, to do some trading, and while there was taken ill with a heart attack and died there.

Later the body was removed to the Berry funeral home at Pahokee, and from there was flown to Oconee, Ga., where funeral services were held and interment made.

Mr. Keeter was 56 years of age and at one time was employed as janitor at the local schools. He is survived by his wife, Martha, one son, James, a brother, J. A. Keeter of Tucson, Arizona, and one sister, Mrs. J. A. Clark of Bainbridge, Georgia.

Will Grow More Ramie

The State Board of Control at Tallahassee has issued an official order which will permit the planting and growing of 1400 additional acres of ramie on the prison farm at Belle Glade bringing the total up to 280 acres. This additional acreage was required to give the Florida Ramie Corporation a sufficient supply of the raw ramie to operate its new plant at the prison farm.

Odd Fellows Are Hosts To Open House Guests

Glades Lodge No. 26, IOOF, on Thursday night, January 10, held an open house for its members, elected candidates and invited guests, and but for one tragic incident, proved to be a most enjoyable occasion.

A program of entertainment and speaking was presented with John M. Gleidner as master of ceremonies, which included the Past Grand Master H. P. Dawson, Rev. I. E. Enlow, Regional Director H. H. Vansickle of Illinois, and Brig. Gen. A. B. Wilson, and musi-

The Belle Glade Herald

ly day and night. Two pumps, one 18 inch and one 28 inch in the middle of the island takes care of storm water due to rains on wind tides, and the upper end of the island is serviced by a 12 inch pump.

No negro quarters are main-

tained on the island. An old

white mule with a 15 year serv-

ice pensioned out and lives

the life of Riley, the only per-

manent resident on the island,

they report a typical

holiday dinner of turkey, dress-

ing and all the trimmings, fol-

lowed by a hearty dessert.

Activities were then quickly

terminated.

The largest crowd ever to see

a school basketball game in

Belle Glade gathered at the

auditorium Tuesday night

when the Golden Rams faced

the Bayonton team, which they defeated by a score of 41 to 31.

Capt. George Wedgworth was

the outstanding player of the

Rams, making nearly half of

the marks chalked up to his

credit.

Kahn Presents Noted Cosmetician To Glades Women

Joe Kahn, who operates one of the Glades' finest department stores in Pahokee, for men and women's wear and accessories, seem to have a stand-in with his New York wholesale houses, for they have placed his store in the same classification as many of the prominent east coast stores.

The management of the firm which manufactures the famed Primrose line of cosmetics, is sending its Mrs. Dempsey into Florida to demonstrate its line of facial materials, and she will be at the Pahokee store on January 22, and Mrs. Kahn, assuming the women of the Glades that this is an opportunity which they should not miss.

FARM ACTIVITIES

(Continued from page one) immense value to the section, especially to the stock growers, who have maintained large ranches planted to approved grasses for pasture.

Mounts is an enthusiastic believer in the future development of tropical fruits in the Glades area, for consumers are turning more and more to the fruit than to the vegetable diet, and that means that more and better vegetables must be produced. He recommends the study and planting of the delicious mango which does so well in parts of the county, especially in the east coast section.

This week found the vegetable world in sort of a turmoil as market demands have fallen way below what the farmers are netting in the market value of products. As a result there has not been as much field and packing house activity the past week as was recorded last week when in excess of 500 cars went out from the Glades area.

Every commodity except potatoes were taken at the marked price, cabbage being only a negligible demand and low price. Celery prices tumbled noticeably, but potatoes were in better demand and the prices held up.

The winter potato harvesting season is now nearing an end, as it is estimated that more than half of the potatoes have been dug and passed thru the packing houses.

Taking everything into consideration, the harvest has been a very satisfactory one for the growers, and the prices most pleasing. Prospects for the spring potato planting look encouraging and some seed potato have already arrived for the planting. Most of the packing house operations the past week were on potatoes and celery.

Dr. A. L. Stahl, in an address before Palm Beach Rotarians, this week stated that Florida farmers have been shown how to grow two hills of beans when there is only one hill, and how to double and even triple their citrus crops, but they must be educated how to properly package and distribute them to reach the buying public. That experimentation in packaging of vegetables has progressed and soon goods will be on the market in attractive family sized packages.

The loading of potatoes in cars is done on a lay-out system, according to size of car and contents. The inside measurement of a car is a bit over 33 feet, and if potatoes are loaded in three tiers, there is space for two, as well as the four rear cars. The three tier method will take a few less than 400 packages and a four tier a few under the 600 mark.

The icing of refrigerator cars is also worked in a similar manner and many are employed in that type of cold work.

Rams Defeat Eagles

The Belle Glade Golden Ram basketball team journeyed to Fort Pierce last Friday night for its initial game of the season. The Rams and Eagles put up a snappy game and at the end of the first half the score stood 26-26. An extra three minute period was called and in this the Rams managed to score four points and the Eagles 1, making the final score 30 to 27 in favor of Belle Glade.

Studying Glades Muck

N. P. Anderson, who has been a "dirt" man all his life, and who has visited most of the American farming sections of the land, as well as experimental farms, is spending the winter in Belle Glade. He has a farm at Newberg, N. Y., not far from the former residence of which he largely worked land, so he is studying the method of muck land farming as carried on in the Glades, with

The Belle Glade Herald

intend to adapt such methods to his own farm. Mr. Anderson is a very interesting conversationalist along the lines of fruit, farming and landscaping and woodcraft, as he has been a world traveler.

To gain first hand experience in growing hops, Mr. Anderson has taken a position over at the Rubin packing house and he relates that he is getting his eyes open and putting in a hard day's work for an elderly man.

Boys Make Big Wages

As I was partaking of my Sunday evening meal, two little boys, 10 and 12 years old, came into the corner and inquired the price of a plate lunch and ordered such a meal. I was interested in their talk and activity and wondered as to the source of their money, which they were figuring out how to spend.

I learned on that the lad lived over at Oceola camp, and were employed in bean picking and selling oranges for truckers. They had made nine dollars each on Sunday and after giving their mothers six dollars out of the wage, had set out for a good time with the balance, and they sure were having it.

Think of it, ten year old lads

making nine dollars for part of a day's work, while trained and college bred men must work for a far less daily stipend.

GLADES GRIDIRON
Messrs. Cherry, Pike and Bass of the Golden Ram team of 1946 were guests from Thursday to Sunday, the athletic division of the University of Florida, at Gainesville, along with some 250 other state high school football players, including Captain Giddeons of the Pahokee Blue Devils.

The school visitors were housed in the college fraternity houses, and were entertained both a barbecue and banquet by the school management, in addition to other swell entertainment and courtesies.

Field tryouts were staged at the stadium, boys playing in certain positions were assigned to those particular groups and were put thru their paces, so that the coaches could get a better idea on their abilities.

Pike in his group showed up the field in his sprinting abilities and drew compliments from the mentors.

This gathering was staged to give high school players an idea of college campus and athletic activities as found at the university, as well as to give the

coaches opportunity to size up future talent for the school, and the idea went across in a big way.

Rader's Office Moved

To make room for a proposed new business block on Avenue A L. J. Rader has moved the camp business office to the rear of his lot.

Citizens Urged To Donate To "March of Dimes"

The campaign of the "March of Dimes," which was made nation wide during the presidency of the late Franklin D. Roosevelt, in behalf of a national sanatorium at Warm Springs, Ga., for the benefit of those suffering from infantile

paralysis, is again being carried on, and the campaign is reaching into the Palm Beach county towns, where the past, very generous donations were made through private subscriptions and public donations.

President Harry S. Truman has given the movement his official blessing, for the good it does for humanity, and the promoters are expecting the same liberal backing the movement received in the past. As yet no steps have been taken to organize for this cause here in the Glades towns.

Belle Glade, Florida

Palm Beach county may have a candidate in the race for State Railway Commissioner, as it is reported that County Commissioner Barney Poston, for 16 years a member of the Board of Commissioners, is flirting in that position. Poston has twice been president of the Association of County Commissioners of the state, and has a wide acquaintance.

Another candidate announced for the same job is Wilbur C. King of Zolfo Springs, who, like Poston, is widely known owing to his former membership in the State Legislature.

Local Man Selected As Rink Manager

Alderman Brothers, who recently purchased the Pahokee skating rink building, at present are not ready to convert it into a storage warehouse, so have decided to reopen it to skating and have secured the services of Charles W. Greer of Belle Glade in the capacity of manager. "Bobo" plans to have an evening skating six nights a week, and hopes to see the Gladies youth flocking back to the pastime as of yore. Greer is not new to the skating rink work as he had experience in his father's former rink in Belle Glade. The opening comes this Friday night.

Opening New Allotment

Lots in the Royal Palm Addition to South Bay will be offered for sale some time in February according to the announcement of S. J. Fisher, owner of land on which the sub-division is being platted.

The new street, 2nd St. S. E., running north and south at right angles to State Road 25, which is also the Main St. of South Bay, is now being graded and rockered. The street is lined with coco plumosa palms. Each lot is 40' by 90' and will contain two palms in front of each lot. In all 25 lots will be placed on sale. There are no alleys being laid out and the rear of the lots will be entirely devoted to drainage, Mr. Fisher said. The location is very desirable for a residential sub-division.

OBSERVATIONS

Continued from page 1

persecution, organized the first church at Kittery, Maine, in 1662, but he and his followers were invited to seek other climes, so they sailed and landed at Pahokee, Fla., where they organized the first Baptist church in the south in 1662, from which has grown the great denomination of the South. Belle Glade has had a church of this denomination for some years, and under pastorates of pastors Sennett, Dillard, and Enlow, the church has grown to large numbers, and the church owns a fine and commodious church house, which will later be augmented by a fine community recreational and Bible school plant. The church at this time finds itself in this situation: it is disgruntled, willing to work and hard its pastorate, and in turn a pastor willing to do likewise, a combination which means a most happy cooperative relation.

In a recent Observation story, we mentioned something about a guaranteed tire tread retread, which has gone back on to relieve all thought that that particular tire had been secured in Belle Glade, forget it, for it was one that I purchased over in Stuart, and the referee had no intention of reflecting on local processors of tires. So there is that an apology, gentlemen?

Finance summaries of the importance of the Glades, showed that it was a good territory in which to amass wealth. It likewise showed that our citizens

Tragedy has a manner of

breaking in at most unexpected places, and the people, who were shockingly and sorrowfully demonstrated at a recent lodge meeting held in Belle Glade last week. After having made a brilliant address before his brothers, one of the guest speakers, Brigadier General Alfred Wilson, energetic leader of the Birchwood Lodge, was stricken and passed away in the presence of his stunned and shocked brothers of the Odd Fellow order. No human aid or help was possible except those tender care which are administered at times of sudden death. The incident naturally brought to immediate close what had proved a most successful and enjoyable open house affair for lodge brothers.

A call is being made to all Belle Glade citizens in a health drive, and for the future protection of the lives of its citizens. The city is hoping there will be a total and unanimous support. What the Government desires is to know how many people in the area may knowingly or unknowingly be victims of that dread malady of tuberculosis or white plague.

This is a highly communicable malady, sure to cause trying hours of illness and ultimate death unless caught in time, but if caught in its incipient stages, is curable, if recommended treatments and care are taken and observed. Victims, as a safety to others, must be isolated from others, and while they seem severe, yet is for the protection of others who might become contaminated, as well as the saving of the victim's own life.

Every group of citizens, no matter of what walk in life or in what type of activity or employment, should determine to join in the drive, and submit themselves to a chest X-ray examination, which the government is offering free to all who will submit to the test. It is almost imperative MUST that all do so.

It may have been a view of the members of the Golden Ram Club, because of their unexpected defeat at the hands of the rival Blue Devils, that the Belle Glade fans had given them the let-down. Not so, for we are boys, and we love them. To show and prove that they are not forgotten or rejected, the local Lions club will feature a football game between the Palooka club in Johnstown, Pa., and the Blue Devils in Pahokee. As basketball players we are in line with support to them and their efforts and wish them a successful season on the courts.

In a recent Observation story, we mentioned something about a guaranteed tire tread retread, which has gone back on to relieve all thought that that particular tire had been secured in Belle Glade, forget it, for it was one that I purchased over in Stuart, and the referee had no intention of reflecting on local processors of tires. So there is that an apology, gentlemen?

Finance summaries of the importance of the Glades, showed that it was a good territory in which to amass wealth. It likewise showed that our citizens

Tragedy has a manner of

breaking in at most unexpected

places, and the people, who were

shockingly and sorrowfully

demonstrated at a recent lodge

meeting held in Belle Glade

last week. After having made

a brilliant address before his

brothers, one of the guest

speakers, Brigadier General

Alfred Wilson, energetic lead-

er of the Birchwood Lodge,

was stricken and passed away

in the presence of his

stunned and shocked brothers

of the Odd Fellow order.

No human aid or help was

possible except those tender

care which are administered

at times of sudden death.

The incident naturally bro-

ught to immediate close what

had proved a most success-

ful and enjoyable open house

affair for lodge brothers.

It is the government and labor

unions will release supplies and

permit their members to do un-

interrupted labor. Belle Glade

is going to see an unprecedented

amount of all types of building

activity. God knows we need

homes and also business struc-

tures to meet present and fu-

ture needs. How long is this

foolishness to be tolerated is a

question in the minds of the

American citizens. Screw loose

the top off to any per-

son or persons.

The members of Belle Glade

Lodge No. 23, F and A. M.

are to be congratulated on the

fact that they are doing some-

thing more than dreaming about

a new temple to house

Masonic activities, but are real somewhere, sure!

ly planning for the near start-
ing of a fine temple on South Main street.

If the government and labor

unions will release supplies and

permit their members to do un-

interrupted labor. Belle Glade

is going to see an unprecedented

amount of all types of building

activity. God knows we need

homes and also business struc-

tures to meet present and fu-

ture needs. How long is this

foolishness to be tolerated is a

question in the minds of the

American citizens. Screw loose

the top off to any per-

son or persons.

ELECTRICAL CONTRACTING

We are equipped to handle all electrical

work.
